## **Dressage Rider Caroline Roffman Sponsored By SSG<sup>®</sup> Riding Gloves**

*Wellington, FL (June 15, 2011)* . SSG<sup>®</sup> Riding Gloves, a complete line of equestrian gloves, is pleased to announce they are sponsoring Dressage rider Caroline Roffman. SSG Riding Gloves offers over 50 styles of gloves to choose from for every type of equestrian need, from dressage, hunters, jumpers and eventing to polo, carriage driving, reining, roping and pleasure riding.

Roffman, who was named the 2010 Rising Star by the FEI and received an invitation to compete at the World Equestrian Festival in Aachen, Germany, is thrilled with the SSG Riding Gloves sponsorship. "I have been a long time user of the SSG Gloves and really love the quality of the product. They are, by far, the most long lasting gloves I have ever worn," Roffman said.

At only 22-years-old, Roffman has taken the dressage world by storm. Based out of Wellington, Florida, Roffman trains with Danish Olympic star Lars Petersen. Roffman made the transition to the professional ranks last year, proving she has what it takes to compete in the big leagues by winning the Five-Year-Old Championship at the Markel/USEF National Young Horse Championship on her Hanoverian gelding Bon Chance.

"I will be wearing my SSG Riding Gloves as I compete in 2011," she said. "I really like the SSG Ranger or SSG Hybrid gloves for day to day use as they are very durable and the soft leather makes them comfortable enough to wear all day. For shows, I prefer the SSG Digital or the SSG All Weather gloves. The SSG All Weather and SSG Technical gloves ensure that I will be able to keep my grip when the reins become slick from water or sweat. That can make a huge difference in the show arena!"

Roffman added that she would also wear her SSG Gloves at the National Young/Developing Horse Championships and the Raleigh CDI. "The SSG Gloves are both comfortable and fashionable. They stand the test of time and use, but also fit well and are attractive," Roffman said.

SSG Riding Glove were designed with horseman in mind and offer child to adult sizes and warm and cold weather styles. "SSG really does offer the complete line

of gloves, everything a rider could ask for,+Roffman said.
